HEAD AND NECK TRAUMA MANAGEMENT

Head and Neck Trauma Management

The Sunraysia Cricket Association (SCA) takes head and neck injuries extremely seriously. In the event that a participant receives a blow to the head or neck—whether wearing protective equipment or not—the SCA follows Cricket Australia’s Concussion and Head Trauma Policy and Guidelines.

We urge all clubs, officials, and volunteers to familiarise themselves with the SCA’s Concussion Policy to ensure safe and consistent management of such incidents.

Immediate Response Recommendations:

- If a doctor or medically trained person is present, they should assess and attend to the participant immediately.
- If no qualified medical personnel are available, call an ambulance without delay.
